NATIONALISTS CHARGE 1.5 MILLION CHINESE BEING SENT TO SIBERIA AS SLAVE LABORERS

Taihoku, 19 May -- Information received today in Taihoku from the Chinese mainland reveals that some 1,500,000 mainland Chinese are being sent to Siberia as slave laborers. The same source pointed out that this is one method of carrying out a purge, and that those purged will be unable to return to China for a "long time." The source further stated that among those now being sent to Siberia are many relatives of persons in Taiwan, landlords, and those persons accused of being sympathizers with Nationalist Army guerrilla bands.
